

The calendar of the Tent

In addition to the immersive visit and the exhibition on Christ's faces, the Tent includes a space for meetings and debates: in-depth discussions on Shroud related topics, youth, and Jubilee. In particular, it envisages a 'Tutti Santi' cycle, interweaving the life of the Church in Turin with some of its main characters.

Here is the schedule of upcoming events. You can register for free (subject to availability) by sending an email to cerimoniale@eventum.it.
